

X-Series Swim Spas X2000

Never compromise.

Exercise, play, and relax, all in the comfort of your garden, with the Endless™ Pools X2000 swim spa. Swimming, water exercise, family time, and relaxation with hot water therapy are all possible with the right temperature at the right time.

The dual-temperature X2000 boasts our largest swim and exercise area of all swim spas with a separate spa area, four sculpted spa seats and independent temperature controls. The airless SwimCross® current provides excellent resistance for swimming and exercise, while the hydromassage jets pamper tired muscles after your workout. With the X2000, the opportunities for wellness at home are limitless.
